## 2026

1. July, Pennsylvania, USA, Philadelphia Harmonic Analysis and Differential Equations (PHADE 2026).
2. January, Lyon, France, PDE seminar in Lyon university.

## 2025

1. December, Montpellier, France, seminaire AGATA.
2. November, Paris, France, [Raconte-moi Séminaire de l'équipe Algèbre et Géométrie](#).
3. November, Kyoto, Japon, 2nd MMS workshop.
4. November, Istanbul, Turkey, [Conference on the honour of G. Skandalis 70s birthday](#).
5. November, Paris, France, Journée de rentrée Jussieu.
6. June, Lund, Sweden, [Hypoellipticity in Lund 2025](#).
7. June, Lausanne, Switzerland, [New trends and applications around generalized Fokker-Planck operators](#). Mini Course (4 lectures)
8. April, Toulouse, France, [Regards croisés sur l'hypoellipticité](#). Mini course.
9. March, Paris, France, [Cours Peccot, College de France](#). Mini Course (4 Lectures).
10. March, Paris, France (IHP), [Analysis on homogeneous spaces and operator algebras](#)
11. February, Paris, France, [Habilitation Defense at Paris-Saclay University](#)
12. January, Marseille, France (CIRM), [Methods in representation theory and operator algebras](#). Mini Course (4 Lectures).

## 2024

1. December, Orsay, France, [Séminaire Géométrie Topologie Dynamique](#)
2. December, Cairo, Egypt, [Winter School in Mathematical Analysis](#). Mini Course 3 Lectures
3. November, Marseille, France (CIRM), [Frontiers in Sub-Riemannian Geometry](#)
4. June, Bilbao, Spain (BCAM), [Kinetic equation, Mathematical Physics and Probability \(KEMAP\) Workshop](#)
5. June, Cortona, Italy, [Noncommutative Geometry and Applications](#).
6. May, Montreal, Canada, [Analysis of Geometric Singularities](#).
7. April, Marseille, France (CIRM), [Group operator algebras and Non commutative geometry](#).
8. March, Orsay, France, [Seminar in University Paris-Saclay \(EDP team\)](#).

## 2023

1. December, Toronto, Fields institute, [Workshop on Operator Algebras and Applications: Non-Commutative Geometry](#). Youtube video Recording.
2. November, State College, Pennsylvania, [Geometry and Physics seminar](#).
3. November, Bath, UK, [Operator Algebras in the South of the UK](#).
4. November, Flanders, Belgium [Ghent Methusalem Junior Seminar](#). On-line talk.
5. July, Kyoto, Japan, [Noncommutative Geometry, Index Theory and Representation Theory](#).
6. June, Paris, France, [Conference in the IHP on singular foliations](#)
7. May, Oberwolfach, Germany, [workshop Hypoelliptic operators in geometry](#).
8. May, Paris, France, [Colloque de Géométrie à l'Université Paris Est Créteil](#).
9. March, Paris, France, [Operator algebra seminar in Université Paris Cité](#).
10. March, New York, USA, [AIM Research Community. Representation Theory and Noncommutative Geometry](#). This is what I do series. Online.
11. March, Athens, Greece, [Noncommutative geometry and representation theory](#).
12. January, Marrakesh, Morocco, [5th International Conférence de Settat on Operator Algebras and Applications \(ICSOAA2023\)](#).

## 2022

1. December, Villa de Leyva, Colombia, [Conference on non commutative geometry and geometric analysis](#).
2. October, Orsay, France, Groupe de travail.
3. September, USA, [Global Noncommutative Geometry Seminar](#). An online recording is available [here](#).
4. June, Cortona, France, [Conference on Dirac operators](#).
5. June, Caen, France. [Rencontre GDR](#). Two blackboard talks.
6. June, Rome, Italy. [Conference Ypatia](#).
7. April, Pennsylvania, USA, noncommutative geometry seminar. An online talk.
8. March, Pennsylvania, USA, noncommutative geometry seminar. An on-line talk.
9. February, Paris, France, [Operator algebra seminar in Université Paris Cité](#).

## 2021

1. October, Les Diablerets, Switzerland, [Seminaire Kervaire 2021](#). 2 blackboard talks.
2. September, Orsay, France, [Journée de rentrée équipe Topologie Dynamique](#).
3. June, Oberwolfach, Germany, workshop Analysis Geometry and Topology of Singular PDE. Oberwolfach Report.
4. January, Muenster, Germany, [Seminar of topology team](#).

## 2020

1. April, Muenster, Germany, [Seminar of operator algebra team](#).

## 2019

1. October, Muenster, [Germany](#), [Seminar of operator algebra team](#).
2. June, Kyoto, Japan, [Conference in honour of 70 birthday of G. Kasparov](#).
