

List of talks

Omar Mohsen*

Last update October 4, 2024

2025

1. Mars,
2. January,

2024

1. November, Marseille (CIRM), France, Frontiers in Sub-Riemannian Geometry
2. June, Bilbao, Spain (BCAM),
3. June, Cortona, Italy, Noncommutative Geometry and Applications in Cortona, Toscana.
4. May, Wisconsin, USA, Madison Lectures in Fourier Analysis 2024.
5. April, Marseille (CIRM), France, Group operator algebras and Non commutative geometry.
6. Mars, Orsay, France,

2023

1. December, Toronto, Fields institute, [Workshop on Operator Algebras and Applications: Non-Commutative Geometry](#). Youtube video Recording.
2. November, State College, Pennsylvania, [Geometry and Physics seminar](#).
3. November, Bath, UK, [Operator Algebras in the South of the UK](#).
4. November, Flanders, Belgium [Ghent Methusalem Junior Seminar](#). On-line talk.
5. July, Kyoto, Japan, [Noncommutative Geometry, Index Theory and Representation Theory](#).

*Paris-Saclay University, Paris, France
E-mail: omar.mohsen.fr@gmail.com

6. June, Paris, France, [Conference in the IHP on singular foliations](#)
7. May, Oberwolfach, Germany, [workshop Hypoelliptic operators in geometry](#).
8. May, Paris, France, [Colloque de Géométrie à l'Université Paris Est Créteil](#).
9. Mars, Paris, France, [Operator algebra seminar in Université Paris Cité](#).
10. Mars, New York, USA, [AIM Research Community. Representation Theory and Noncommutative Geometry. This is what I do series](#). Online.
11. Mars, Athena, Greece, [Noncommutative geometry and representation theory](#). Slides.
12. January, Marrakesh, Morocco, [5th International Conférence de Settat on Operator Algebras and Applications \(ICSOAA2023\)](#). Slides.

2022

1. December, Villa de Leyva, Colombia, [Conference on non commutative geometry and geometric analysis](#). Slides
2. October, Orsay, France, Groupe de travail.
3. September, USA, [Global Noncommutative Geometry Seminar](#). An online recording is available [here](#).
4. June, Cortona, France, [Conference on Dirac operators](#). Beamer.
5. June, Caen, France. [Rencontre GDR](#). Two blackboard talks.
6. June, Rome, Italy. [Conference Ypatia](#). Beamer.
7. April, Pennsylvania, USA, noncommutative geometry seminar. An online talk.
8. Mars, Pennsylvania, USA, noncommutative geometry seminar. An online talk.
9. February, Paris, France, [Operator algebra seminar in Université Paris Cité](#).

2021

1. October, Les Diablerets, Switzerland, [Séminaire Kervaire 2021](#). 2 blackboard talks.
2. June, Oberwolfach, Germany, workshop Analysis Geometry and Topology of Singular PDE. Oberwolfach Report.
3. January, Muenster, Germany, [Seminar of topology team](#).

2020

1. April, Muenster, Germany, [Seminar of operator algebra team](#).

2019

1. October, Muenster, [Germany](#), [Seminar of operator algebra team](#).
2. June, Kyoto, Japan, [Conference in honour of 70 birthday of G. Kasparov](#).
