

List of talks

Omar Mohsen*

Last updated on October 24, 2024

2025

1. Mars, Paris, France (IHP), [Analysis on homogeneous spaces and operator algebras](#)
2. January, Marseille, France (CIRM), [Methods in representation theory and operator algebras](#).

2024

1. November, Marseille, France (CIRM), [Frontiers in Sub-Riemannian Geometry](#)
2. June, Bilbao, Spain (BCAM), [Kinetic equation, Mathematical Physics and Probabilty \(KEMAP\) Workshop](#)
3. June, Cortona, Italy, [Noncommutative Geometry and Applications](#).
4. May, Montreal, Canada, [Analysis of Geometric Singularities](#).
5. April, Marseille, France (CIRM), [Group operator algebras and Non commutative geometry](#).
6. Mars, Orsay, France, [Seminar in university Paris-Saclay \(EDP team\)](#).

2023

1. December, Toronto, Fields institute, [Workshop on Operator Algebras and Applications: Non-Commutative Geometry](#). Youtube video Recording.
2. November, State College, Pennsylvania, [Geometry and Physics seminar](#).
3. November, Bath, UK, [Operator Algebras in the South of the UK](#).
4. Novemeber, Flanders, Belgium [Ghent Methusalem Junior Seminar](#). On-line talk.

*Paris-Saclay University, Orsay, France
E-mail: omar.mohsen.fr@gmail.com

5. July, Kyoto, Japan, [Noncommutative Geometry, Index Theory and Representation Theory](#).
6. June, Paris, France, [Conference in the IHP on singular foliations](#)
7. May, Oberwolfach, Germany, [workshop Hypoelliptic operators in geometry](#).
8. May, Paris, France, [Colloque de Géométrie à l'Université Paris Est Créteil](#).
9. Mars, Paris, France, [Operator algebra seminar in Université Paris Cité](#).
10. Mars, New York, USA, [AIM Research Community. Representation Theory and Noncommutative Geometry. This is what I do series](#). Online.
11. Mars, Athena, Greece, [Noncommutative geometry and representation theory](#). Slides.
12. January, Marrakesh, Morocco, [5th International Conférence de Settat on Operator Algebras and Applications \(ICSOAA2023\)](#). Slides.

2022

1. December, Villa de Leyva, Colombia, [Conference on non commutative geometry and geometric analysis](#). Slides
2. October, Orsay, France, Groupe de travail.
3. September, USA, [Global Noncommutative Geometry Seminar](#). An online recording is available [here](#).
4. June, Cortona, France, [Conference on Dirac operators](#). Beamer.
5. June, Caen, France. [Rencontre GDR](#). Two blackboard talks.
6. June, Rome, Italy. [Conference Ypatia](#). Beamer.
7. April, Pennsylvania, USA, noncommutative geometry seminar. An online talk.
8. Mars, Pennsylvania, USA, noncommutative geometry seminar. An online talk.
9. February, Paris, France, [Operator algebra seminar in Université Paris Cité](#).

2021

1. October, Les Diablerets, Switzerland, [Séminaire Kervaire 2021](#). 2 blackboard talks.
2. June, Oberwolfach, Germany, workshop Analysis Geometry and Topology of Singular PDE. Oberwolfach Report.
3. January, Muenster, Germany, [Seminar of topology team](#).

2020

1. April, Muenster, Germany, [Seminar of operator algebra team](#).

2019

1. October, Muenster, [Germany](#), [Seminar of operator algebra team](#).
2. June, Kyoto, Japan, [Conference in honour of 70 birthday of G. Kasparov](#).
